and many more.

## How do I register?

**TTEC UK Perkz** is completely free to use and you can register easily online. All you need is your **Employee ID** and your **Last Name**. You'll also need to put in an email address (this can be your work or personal email address) and you'll need to create a password. Make sure to create a memorable password as you'll need this each time you log in. Once you've registered we'll send you a verification email to make sure we have the correct details, check your emails and click the link in the email to verify your account. Then you are ready to go!

All discounts and offers are subject to change without notice.

# How can I save?

You'll find all of the deals and offers at **[teletech.rewardgateway.co.uk](https://teletech.rewardgateway.co.uk)**. You can access the site securely on any device, desktop, mobile or tablet at anytime, anywhere you are. You can buy discounted Instant Vouchers and Reloadable

Cards to save money at hundreds of retailers when you shop in-store or online. We also have loads of Cashback offers, meaning that you get some money back each time you spend with certain retailers.

## Instant Vouchers

You can purchase Instant Vouchers for a discounted price at any time and on any device and use them instantly, saving in-store or online. All you do is show your voucher if you're in-store or enter the code at the checkout if you're shopping online. Easy peasy!

## Cashback

Get money back when you shop online as a fixed amount or as a % of your order. To earn Cashback, click the offer and follow the link to their site, make your purchase and we'll track the Cashback for you. Once it has been processed, the money will be available to spend online or withdraw into your bank account.

## Reloadable Cards

Reloadable and Instant Reloadable Cards are physical cards which give great savings when you spend in-store, online, or both. And you can use them on top of sales, promotions, loyalty points and any other offers for an even bigger discount. Wahoo!

## EasySaver™ Card

This card lets you save 7% at over 40 retailers to make saving even easier! Top-up time is as quick as 15 minutes, so if you're an impulse buyer, the EasySaver™ card is a fantastic option, as you can Top-up on your mobile while you're out and about.

# Making your savings even more instant with the SmartSpending app!

The SmartSpending™ app is a mobile app where you can access your **TTEC UK Perkz** discounts and offers on the go. Browse top offers and the deal of the week to see what's available, or search by retailer or category to find the

retailers and discounts you're looking for. You can also click the star at the top of any retailer page on the app to make them your 'favourite', then you'll be notified when they go on special promotion.

SmartSpending

Download on the  
App Store

GET IT ON  
Google Play

## How do I get access/can I use it right away?

- Find the app on Google Play or App Store by searching for “SmartSpending”.
- Download it and then enter the email and password you usually use to log in with. If you’ve forgotten your password, you can request a one-time code to be sent to your email address.
- Now, choose a PIN to help you log back in quickly and easily each time. If your phone is locked, or if you’re using a variety of apps, the SmartSpending™ app will ask for your PIN again for extra security.

## What can I do with the app?

Use the app for buying and accessing Instant Vouchers, Reloadable Cards and earning Cashback on purchases from hundreds of retailers.

## Which retailers are available?

Many of the retailers that are available on the **TTEC UK Perkz** site are also available on the app. With more than 800 retailers to choose from, and new offers being added every day, you can find discounts on everyday purchases like groceries to specialty items such as holiday breaks and the latest technology.

## Helpdesk & Support

Our Helpdesk team is available for you 24/7 and 365 days a year. You can speak to them over the phone, via email or better yet using the instant LiveChat feature. Simply click ‘Support’ on the website to find out more.
