

Summer is here. Your FSA is waiting.

To help you have a safe and happy season, here's a convenient way to stock up on the things you need – while saving money at the same time.

Save while stocking up!

When you shop for eligible Flexible Spending Account (FSA) expenses at [FSAstore.com](https://www.fsastore.com), you can save. Simply use the code **CYC10** during checkout for **\$10 off** FSA-eligible items. You do not have to be enrolled in an FSA to enjoy these savings, so feel free to share your code with a friend too.

Did you know that sunscreen is an eligible FSA expense?

It's true. Sunscreen that is over 15 SPF and broad-spectrum is FSA eligible. The [FSAstore.com](https://www.fsastore.com) makes it easy to see what is FSA eligible, and **takes the guesswork out** of FSA purchases. There are thousands of eligible expenses, and when you use the FSA Store, you never have to guess if your purchase is eligible.

Make the most of your FSA.

Looking for more FSA information?

- Download [myCYC, the ConnectYourCare mobile app](#) for payments and account convenience on the go.
- Visit [FSA Academy](#) to test your knowledge and brush up on FSA basics.

**We make it easy for you to manage your care,
so you can enjoy life.**
